ERASMUS PLUS PROGRAM STRUCTURE

Education, Audiovisual and Culture Executive Agency in Brussels (EACEA)

NATIONAL AGENCIES IN EVERY EU COUNTRY
(Warszawa, Foundation for the Development of the Education System)

Erasmus+

Since November 2022, the Institute has had the ECHE Erasmus Plus card for higher education institutions, which enables participation in grant competitions in the Erasmus Plus program.

European
Commission

ERASMUS CHARTER FOR HIGHER EDUCATION 2021-2027

The European Commission hereby awards this Charter to:

Instytut Rozrodu Zwierząt i Badań Żywności Polskiej Akademii Nauk

The Institution undertakes to:

- Respect in full the principles of non-discrimination, transparency and inclusion set out in the Erasmus+ Programme.
- Ensure equal and equitable access and opportunities to current and prospective participants from all backgrounds, paying particular attention to the inclusion of those with fewer opportunities.
- Ensure full automatic recognition of all credits (based on the European Credit Transfer and Accumulation System – ECTS) gained for learning outcomes satisfactorily achieved during a period of study/training abroad, including during blended mobility.
- Charge no fees, in the case of credit mobility, to incoming mobile students for tuition, registration, examinations or access to laboratory and library facilities.
- Ensure the quality of the mobility activities and of the cooperation projects throughout the application and implementation phases.
- Implement the priorities of the Erasmus+ Programme:
 - By undertaking the necessary steps to implement digital mobility management in line with the technical standards of the European Student Card Initiative.
 - By promoting environmentally friendly practices in all activities related to the Programme.
 - By encouraging the participation of individuals with fewer opportunities in the Programme.
 - By promoting civic engagement and encouraging students and staff to get involved as active citizens before, during and after their participation in a mobility activity or cooperation project.

WHEN PARTICIPATING IN MOBILITY ACTIVITIES

Before mobility

- Ensure that selection procedures for mobility activities are fair, transparent, coherent and documented.
- Publish and regularly update the course catalogue on the website well in advance of the mobility periods, so as to be transparent to all parties and allow mobile students to make well-informed choices about the courses they will follow.
- Ensure that outgoing mobile participants are well prepared for their activities abroad, including blended mobility, by undertaking activities to achieve the necessary level of linguistic proficiency and develop their intercultural competences.
- Ensure that student and staff mobility is based on a learning agreement for students and a mobility agreement for staff.

Erasmus+

Erasmus Plus for Higher Education

Key Action 1 - Learning mobility of individuals

Mobility of employees in the higher education sector:

- a teaching or training period abroad at a partner HEI

- lump sums (stay: accommodation and sustenance, travel, organizational costs)

- A teaching or training period home in Poland by a partner HEI (**universities, research institutions, HEI sector in general**)

Key Action 2 – Cooperation between organizations and institutions

Cooperation partnerships and capacity building of organizations at the transnational level:

Partnerships min. 3 HEI sector institutions

Lump sum projects for the amount of PLN 120,000 EUR, 250 thousand EUR and 400 thousand. EUR

- lump sums (accommodation and sustenance, travel)

Erasmus+

Horizontal priorities E+

INCLUSION AND DIVERSITY

promoting equal opportunities and equal access, social inclusion, diversity and fairness in all its activities

Disability: includes reduced physical, mental, intellectual or sensory abilities

Health issues: barriers can be due to health issues such as serious illnesses, chronic illnesses or any other physical or mental health situation

Economic barriers: economic disadvantages such as low standard of living, low income, being a learner who has to work can be a barrier

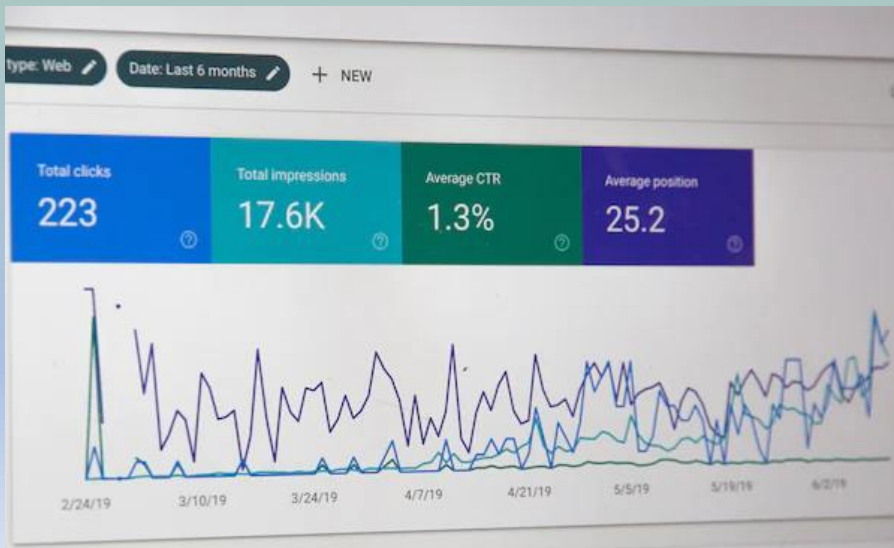

Erasmus+

Horizontal priorities E+

DIGITAL TRANSFORMATION

a) developing a highly effective digital education ecosystem, by building the capacity and necessary knowledge in all types of education and training institutions to exploit the opportunities offered by digital technologies for teaching and learning purposes

(b) improving digital skills and developing skills at all levels of society and for all (including young people with fewer opportunities, students, jobseekers and workers). Particular attention will be given to fostering the development of both basic and advanced digital skills as well as digital skills

Erasmus+

Horizontal priorities E+

THE ENVIRONMENT AND FIGHTING CLIMATE CHANGE

- a) providing learners of all ages with opportunities to learn about the climate crisis and sustainable development
- b) the need to prioritize learning for the green transition in education and training policies and programmes.

Erasmus+

Horizontal priorities E+

PARTICIPATION IN DEMOCRATIC LIFE, COMMON VALUES AND CITIZENSHIP

a) encouraging active citizenship and ethical behavior as part of lifelong learning and education, enhancing the development of social and intercultural competences, critical thinking and media literacy

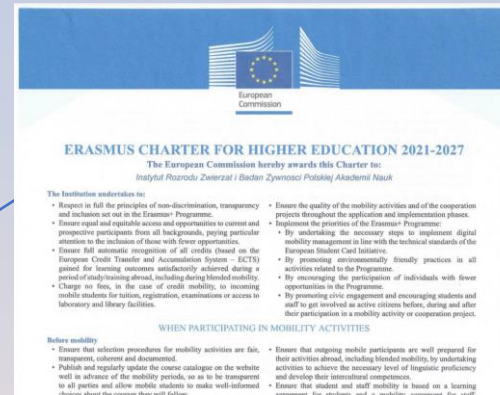

b) priority is given to projects enabling democratic participation and social and civic engagement through formal and informal learning activities

Erasmus+

ECHE card for the Institute

HEI KA131 - International mobility including countries associated with the Program (Norway, Iceland, Liechtenstein), the partner has an ECHE card

Deadline: February 23, 2023, at 12:00
Project duration: 26 months

HEI KA171 - International mobility involving third countries not associated with the Programme

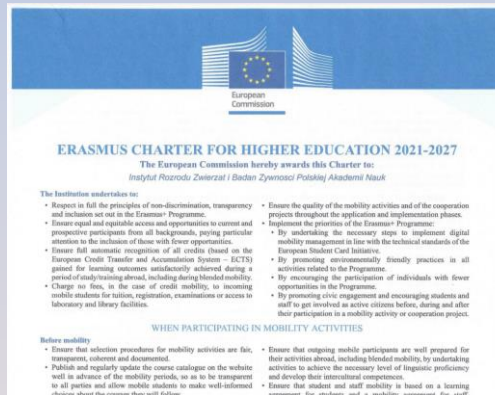

Deadline: February 23, 2023, at 12:00
Project duration: 24 or 36 months

Erasmus+

ECHE card for the Institute

International mobility

a) short-term or long-term physical study or traineeship mobility periods abroad: the whole is financed by the sending institution (except for the KA171 competition), the incoming person must buy an accident assurance policy and civil liability insurance (destruction of property, e.g. laboratory)

International mobility

b) short-term or long-term physical study or traineeship mobility periods abroad: the whole is financed by the sending institution (except for the KA171 competition), the person leaving must buy an accident and civil liability insurance (destruction of property, e.g. a laboratory)

Erasmus+

TARGET GROUPS IN ERASMUS PLUS HEI SECTOR

1) Student mobility

2) Mobility of doctoral students

In order to better meet the diverse education and training needs of doctoral candidates and to ensure a level playing field with those with higher education staff status, doctoral candidates and recent doctoral graduates may undertake short- or long-term mobility related to physical studies or practices abroad.

3) Staff mobility

Staff mobility can be carried out by any type of higher education staff or invited staff from outside the higher education institution. To ensure high-quality mobility activities with maximum impact, the mobility activity must be related to the professional development of the employee and to his/her learning and personal development needs.

Erasmus+

PARTNERSHIPS IN THE ERASMUS PLUS PROGRAM

A mobility project must involve at least two organizations from different Program Countries (at least one sending and at least one host organisation). For mobility projects supported by external policy funds (KA171), at least one organization from a third country not associated to the Program must be involved.

Sending organisation - a participating organisation sending one or more participants to an activity of an Erasmus+ project

Receiving organisation - a participating organisation receiving participants and organising activities of an Erasmus+ project

Erasmus+

DESCRIPTION OF ERASMUS PLUS ACTIONS

Erasmus+

Mobility in the ERASMUS PLUS program

KA 131 - EU countries and associated countries (e.g. Norway, Iceland)

**KA171 - non-associated countries, "whole world" excluding e.g. UK,
Switzerland**

Erasmus+

Region 12 USA i Kanada	Kanada, Stany Zjednoczone Ameryki Północnej		431 065 €

Erasmus+

MOBILITY OF PHD STUDENTS - KA131

Mobility for study or internship for PhD students:

- short-term mobilities from 5 to 30 days
- long-term mobilities from 2 months (or one academic semester or trimester) to 12 months of physical mobility, excluding travel time
- from 2 days to 2 months of physical mobility in the case of mobility for traineeships
- obligatory at least 3 ECTS credits to be obtained in the framework of mixed mobility
- during third-cycle studies as a doctoral student (doctoral level or level 8 of the EQF - European Qualifications Framework).

Erasmus+

MOBILITY OF PHD STUDENTS - KA131

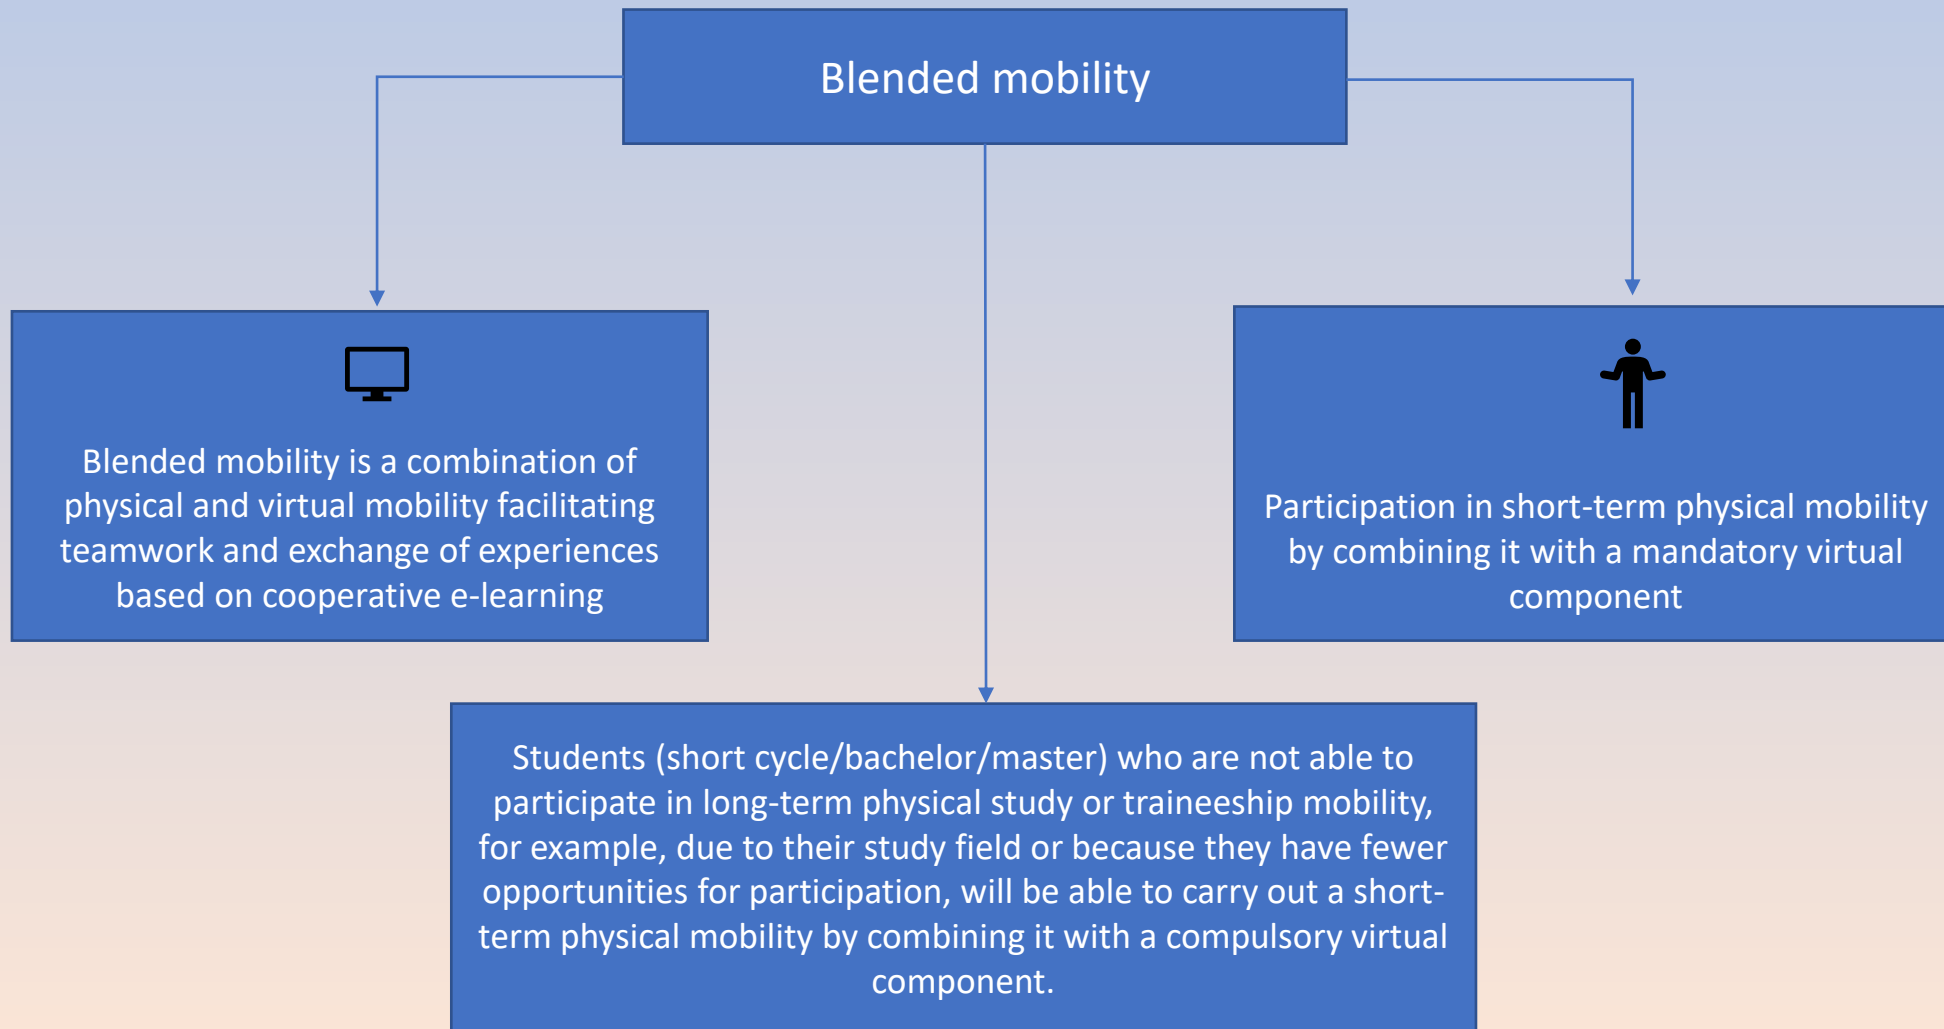

Mobility for study or internship for PhD students:

Each period of study or professional practice abroad, of any length, also as part of doctoral student mobility, can be implemented in the form of mixed mobility. (combination of physical and virtual mobility facilitating teamwork and exchange of experiences based on collaborative e-learning. For example, the virtual component could create a common online space for learners).

Erasmus+

MOBILITY OF PHD STUDENTS - KA131

Erasmus+

STAFF MOBILITY FOR TEACHING AND TRAINING PURPOSES:

- 1) The duration of mobility between EU Member States and countries associated to the Program must be between 2 days and 60 days of physical mobility, excluding travel time. For invited employees of enterprises, the minimum duration of physical mobility is 1 day
- 2) For mobility from third countries not associated to the Programme, the duration must be between 5 and 60 days, excluding travel time. The same applies to invited employees of enterprises, excluding travel time.

Erasmus+

STAFF MOBILITY

Teaching staff mobility can take place in any academic discipline

The didactic activity must include at least 8 hours a week, if combined with training, min. it's 4 hours

Participation in training abroad that is relevant to their daily work in a higher education institution. This may take the form of training (excluding conferences) or periods of job observation and teaching activities.

Erasmus+

COSTS IN THE ERASMUS PLUS PROGRAM

Financing mobility by the Sending Institution

Lump sum costs: travel, accommodation and sustenance, organizational support, organization of mobility activities for people with fewer opportunities (people with disabilities), exceptional costs

Erasmus+

COSTS IN THE ERASMUS PLUS PROGRAM - DOCTORAL STUDENTS
